

Communities Against Gravel Extraction

***** IMPORTANT GRAVEL UPDATE *****

Despite all our efforts and presentation of good evidence against this proposal, it is looking increasingly likely that the County Council will vote to impose a gravel pit between Wallingford and Cholsey.

The decision will be made at the County Council meeting in Oxford County Hall on Tuesday 13th March at 2pm.

The CAGE Committee needs the support of an active demonstration from both Wallingford & Cholsey.

If you strive for a full and fair hearing and would like your voice to be heard, please come to the meeting at

County Hall, New Road, Oxford, OX1 1ND.
(Between Westgate and the old Castle).
Need help to get there?
